

Golden Glass Awards 2018 Ceremony – fifth edition

(China Glass Network) The 5th Top 10 China Glass Brand Appraisal-Golden Glass Award Ceremony organized by China Glass Network has been successfully held at Jumeirah Himalayas Hotel Shanghai on April 18th with nearly 500 people attended.

The Golden Glass Awards-Forum for China Glass Industry Value 2018 Award Ceremony was held in Shanghai and included a number of speeches, reports and discussions from important companies involved in the glass industry.

The opening speech was given by Gao Han, CEO of China Glass Network, and was followed by reports from Pengshou, President & Chairman of China Triumph International Engineering Co.,Ltd. and Bengbu Design & Research Institute for Glass Industry and Li Yong, General manager of National Glass Quality Supervision and Inspection Center, followed by Speech from overseas buyers on Opportunities brought by Southeast Markets for Chinese Glass Enterprises.

Before the actual ceremony, there was also a Circle Discussion about the exploration and innovation of the glass industry.

The fifth Golden Glass Awards ceremony was held as scheduled, with the final list that included:

The Enterprises award includes the Top 10 Brands respectively for leading companies in fields of sheet glass, decoration glass, appliance glass, glass chemical accessories/materials, building glass, glass products, glass tools, glass machinery & equipment, forerunner for “Belt & Road”, and emerging outstanding companies.

The Product award covers:

- * Innovative product award (10 enterprises)
- * Personal Award:
 - * Prize for Outstanding Contributions (5 people);
 - * Prize for Glass craft (10 people)
 - * Prize for Outstanding Young Entrepreneurs (10 people)

Congratulations on the above all companies and individuals. We also show special thanks to our co-organizers: Tianjin NorthGlass Co., Ltd, Guangdong Jieren Glass Co., Ltd, Heyuan PengXiang Smart Technology Stock Co., Ltd, Shandong Jiantrun Building Materials Co., Ltd, and Hangzhou Jinglass Technology Co., Ltd.

With the development of foreign trades and technological upgrade, China glass industry is now also witnessing a boom period of restructure and production chain transformation.

However, it still has a long way to go to build glass products brand of world level.

See you next year's Golden Glass Award”!
