## ПРОДУКТЫ / МАШИНЫ

Asia is undoubtedly the most exciting market for everyone connected with photovoltaics and solarthermal energy. Topping the charts in terms of solar maps, right across the continent, Asia is the perfect home for large-scale solar energy projects as well as cost-effective, environmentally-friendly smaller-scale solutions.

Asia is a keen advocate of cutting-edge technology and is poised to embrace the solar industry on a massive scale. Asia is not just the future, it is also the present.

Asian Solar will provide the perfect one-stop environment for all elements of the solar sectors from Turkey to Japan and all places in between. Our unique mix of interviews, analysis, market-based features, news and comment will investigate the entire industry and bring it to the World's attention. By being totally focused to events in Asia, you can be sure that the magazine will be essential reading for anyone on the continent, or indeed anywhere else.

We have geared our editorial, written by our own journalists and researchers, in such a way as to appeal to a senior management level, connecting you with the industry's leaders and shapers.

Partner with us to make sure your marketing message is targeted to the most exciting solar industry anywhere on the planet. We look forward to making your business an even greater success!
