Coatings for rotary blow production

ИСТОРИЯ И ПРОДУКТЫ

The success of our company is basing on the satisfaction of our customers. For this reason, we orientate ourselves to the requirements of our customers in the development, manufacture and delivery of our products.

Our goal is to provide our customers with a reliable service and to deliver our products according to specifications on the agreed date in the agreed quantity. In addition, we offer technical advice and on-site support.

We have defined our quality standards in our integrated management and organization system in accordance with ISO 9001:2015. Quality, continuous improvement, work safety and environmental protection are central themes of our company policy.

More than 30% of ACMOS employees work in the areas of product development and technical customer support. In this way, we ensure that we can respond quickly and competently to the specific requirements of our customers at any time. With more than 150 employees and a production capacity of more than ten thousand tons per year, ACMOS is one of the largest release agent manufacturers in Europe. More than 50% of our products are water-based.

ACMOS, with its subsidiaries and sales partners, has a global presence to provide technical on-site customer support. Our export rate has been above 70% for years.

ACMOS CHEMIE KG has been owned by the founding family for more than 100 years, whose members always actively participate in the management.
