Middle East Glass Magazine is the first pan-Middle East business publication covering the glass industry.

Middle East Glass Magazine is the only international magazine for professionals involved in the glass industry, serving the Middle East and Africa region. It keeps abreast of new technology, new products, company life and all innovations in the world of glass.

Middle East Glass Magazine is created in response to the rapidly increasing potential and demand for the glass products & technology in the Middle East & Africa

Middle East Glass Magazine focuses on individual factories and suppliers, an events round-up, opinion columns and a spotlight on a leading industry personality and a major glass association. This gives our readers the up-to-date and latest technology in the glass industry.

Middle East Glass Magazine is committed to becoming a pillar of the glass industry by providing comprehensive coverage of the sector. It will offer exclusive interviews, research, and analysis covering not just the glass industry but also related fields.

Middle East Glass Magazine reaches technical, production and research personnel, responsible for the management and operation of industrial-scale glass manufacturing and processing facilities throughout the Middle East & Africa.
