ПРОДУКТЫ / МАШИНЫ

Market Evaluation for glass industry projects (greenfield / brownfield) in float glass, solar glass and container glass industry.

Feasibility studies, Pre-feasibility studies, Benchmark, Bankable Business plans
Analyze & Benchmark

We help you analyzing and benchmarking your glass production and run projects to reduce costs (with energy costs in particular), minimize CO2 and NOx emissions (with additional returns through emission trading schemes), increase efficiencies, enhance glass quality and optimize productivity.

Improve

Additionally we support you to improve competitiveness, diversify production e.g. towards Photovoltaic glass plus buy and sell glass.

Expert Team

»glassglobal Group« is a team of professionals with technical, commercial and marketing expertise within glass and works in close cooperation with competent partners.

ИСТОРИЯ И ПРОДУКТЫ

Glassglobal Unipessoal Lda. is the technical branch of glassglobal Group (OGIS GmbH), headquartered in Düsseldorf.
