PRODUCTS OR MACHINERY

LAMIPRESS® a trade mark of Fotoverbundglas Marl GmbH as autoclaveless lamination solution.

Using flat bed vacuum autoclave technology, we offer service providers and glass processing companies a professional solution for high efficient laminated glass production.

The line produces:

LSG made from toughened safety glass, thin glass, structured glass, special glass,
using PVB, sentry glass, EVA, TPU etc.
switchable films, fire rated compounds, burglar proof and bullet proof compounds
various combinations of above
